

**Malcolm William Toope-Pilgrim-
Greenland**

Royal Canadian Navy

Service No. 49851 – H

Born: 07 Apr 1944

Died: 15 Mar 2011

Place of Birth: Come by Chance,
Newfoundland

Parents: Malcolm Pilgrim and Edith Cavell
Toope

Malcolm was born in 1944 at Come by
Chance to Edith Cavel Toope of Dark Cove,
Bonavista North, and Malcolm Pilgrim.
They were nineteen (19) and thirty eight
(38) respectively at the time.

At age one (1) young Malcolm was living
with Edith's parents, Charles (48) and E.
Maude (45) Toope in Dark Cove, Bonavista
North, Newfoundland. Dark Cove is near
Gambo.

In June 1950, Malcolm became stepbrother
to Douglas Edward Greenland. Edith had
married Stephen Greenland of Coley's Point,
Bay Roberts and they were living in
Stephenville.

By 1963, Malcolm was living in Grand
Falls, Newfoundland and was then using the
surname Pilgrim (his biological father's
name).

By 1977, Malcom is found at home in
Queensland, Australia and in 1997, he is
living in Winnipeg, Manitoba.

It is during the years between 1963 and
1977, most likely, that he spent time in
service in the Royal Canadian Navy (RCN),
but this is just a best guess scenario.

In 1982, Malcom's biological father
(Malcolm Pilgrim) passed away in Griquet,
Newfoundland.

Half brother, Edward, died in Toronto in
2009.

Malcolm was married to Janet Young, and
they had one daughter of record.

2011 saw the death of his mother at Clarke's
Beach, Newfoundland with Malcolm
himself passing in March of the same year in
Winnipeg, Manitoba. He was sixty-seven at
the time.

He is buried in St. John the Evangelist
Cemetery at Coley's Point, Newfoundland.
